

Our Vision

To be a catalyst to bring sustainable improvement in the lives of families and to enable society to engage initiatives in the process through the philosophy of: "Service to Humanity is Service to God" by adapting highest standards of governance to emerge as a leading and impactful institution.

Our Mission

DTG Foundation to be driven by the philosophy:
Healthcare for All - A
Empowerment through skill development and education for Youth - Y
Safety for Women and Children - W
and
Care for Elders - E
As we call it the "AY WEy" Model.
